

Traffic light mast TYPE PHC

Technical data :

PHC - 1201

The traffic light mast is adapted to the cable terminal PHA - 4,

dimension: 2800 mm, ϕ 114 mm

material: anticorrosive steel pipe, painted,

PHC - 1202

The traffic light mast with terminal strip inside adapted to single pick-up fixing point. .

dimension: 3000 mm, ϕ 114 mm

material: anticorrosive steel pipe, painted,

PHC - 13

The traffic light mast with terminal strip inside adapted to double pick-up fixing points.

dimension: 4600 mm, ϕ 114 mm

material: anticorrosive steel pipe, painted,
